**Brian Woolfolk Announces Run for Maryland's 26th District Senate Seat**

Brian Woolfolk, an accomplished lawyer and policy advocate, has established a campaign committee to seek the 26th District Senate seat to support our community's efforts to improve our schools, create economic development opportunities, and build the transportation improvements we have been expecting for far too long.

Statement of Brian Woolfolk:

"We are a community ripe with potential. This campaign is about innovation and ideas. It is about achieving substantial results. I have spent over 20 years securing community solutions in transportation, criminal justice, healthcare, and economic development. This campaign represents our opportunity to strengthen our voice in Annapolis. I look forward to engaging the citizens of the 26th district and hearing their ideas on how we can work together to build a better community."

Maryland's 26th Legislative District includes the South Prince Georges County communities of Oxon Hill, National Harbor, Temple Hills, Forest Heights, Accokeek and Fort Washington.
